The registration is conditional on your compliance with the following notes:

***See Attachment (4 Pages) to the Alberta Statutory Declaration Form for the Scope of Registration.

-Note that we have registered the Pipe Fittings which conform in entirety to ASME B16.9 standard only under this registration excluding the Pipe Fittings made to any other standards/codes.

This registration is valid only for fittings fabricated at the location(s) covered by the QC certificate attached to the accepted AB-41 Statutory Declaration form. This registration is valid only until the indicated expiry date only if the Manufacturer maintains a valid quality management system approved by an acceptable third-party agency until that date. Should the approval of the quality management system lapse before the expiry date indicated above, this registration shall become void.

An invoice covering survey and registration fees will be forwarded from our Revenue Accounts.

Enclosed are stamped prints for your reference.

Sincerely,

DESAI, B.C., P. Eng.
