The registration is conditional on your compliance with the following notes:

As indicated on AB-41 Statutory Declaration form and submitted documentation, the code of construction is B16.34.

This registration is valid only for fittings fabricated at the location(s) covered by the QC certificate attached to the accepted AB-41 Statutory Declaration form.

This registration is valid only until the indicated expiry date and only if the Manufacturer maintains a valid quality management system approved by an acceptable third-party agency until that date.

Should the approval of the quality management system lapse before the expiry date indicated above, this registration shall become void.

From valves presented in the catalogue and designed to 16.34 and 6D only valves that are in full compliance with ASME B16.34 Tables 1, 2 & 3 are covered by this CRN.

An invoice covering survey and registration fees will be forwarded from our Revenue Accounts.
