^{***}Scope of Registration per ACI Central Inc.'s Summary sheet***

⁻Note that we have registered the Pipe Fittings which are manufactured in entirety in strict conformance with ASME B16.9 standard including the dimensions, material specifications and pressure/temp. ratings. This registration is valid only for fittings fabricated at the location(s) covered by the QC certificate attached to the accepted AB-41 Statutory Declaration form. This registration is valid only until the indicated expiry date only if the Manufacturer maintains a valid quality management system approved by an acceptable third-party agency until that date. Should the approval of the quality management system lapse before the expiry date indicated above, this registration shall become void.
